Poolewe Pool - 300 Club

What is it?

We need donations and fundraising to stay open!
We teach the new generation in the wider Gairloch area to swim, keeping them safe!
We are an asset to our rural community!
Win Money and Support the Pool!

Poolewe Swimming pool is a registered charity and although managed and supported by The Highland Council from whom we receive financial assistance, we are entirely reliant on donations.

Many people help the Pool by being members of the 300 Club.
They pay £2 per month (or multiples thereof) by standing order.

For each £2 subscription, the member is allocated a number which is placed in a monthly draw. From this draw, three numbers are picked and the lucky winners received £80, £40 or £20.

Draws take place at board meetings and winners names will be published in the Gairloch and District Times and on the pool notice board.

Applications from visitors to the area are most welcome.
Winner's cheques are sent out by first class post.

Do you want to keep your local pool open? Assist with fuel bills and improvements?
Sign up today! We need your support.
